

## SPONSORSHIP OPPORTUNITIES

Morrison Container Handling Solutions is excited to present this networking opportunity and event to the spirits industry in Kentucky and surrounding areas again in 2024! This event is comprised of various spirits makers and presents an opportunity for OEMs and Suppliers to the Distillers Industry to connect within a fun, relaxed setting on the golf course, with dinner and party to follow.

Format: The outing will be a scramble with the players or designated team captain deciding which shot to use. There will be various contests, which present multiple sponsorship opportunities. As this event is geared to help OEMs and suppliers to connect with customers, hole sponsors of all types are invited to staff their hole and provide literature and giveaways.

As all spirits manufacturers / distilleries are invited to golf for free with OEMs paying for customers to golf, sponsorships cover operating costs. Some sponsorships include foursomes, but you are invited to have more customers golf at the rate of \$175/player or \$600/foursome.

Send email to Allison Wagner or Dustin Lee for questions or to reserve sponsorship, which are all available first-come, first-serve. To learn more about the outing, [click here](#).
